EXAMINER'S AMENDMENT

REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: Applicant's claims differ from their parent's claims in U.S. patent #6681007 because the '007 claims do not have the recitation that a message generated by the wholesaler is free of human intervention, which would have necessitated an obvious double patenting rejection based on the claims in U.S. patent # 6681007. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Creighton h Smith whose telephone number is 308-2488. The examiner can normally be reached on M-F.
